BERNINA/BERNETTE/BABYLOCK
HUSQVARNA VIKING

Fall 2010

EDITOR: SUSAN CLEMENZA

From the Editor,

Happy 29th Anniversary to Boyd Sewing & Vacuum. Frank tells the story of how he came to purchase Boyd Sewing Center. 30 years ago at the fair he bought a Bernina. When he went into the store to pick up bobbins, and thread the Barrett's (owners at that time) kept saying they wanted to retire. They talked Frank into buying and having his own business even though he knew nothing about sewing machines. He said yes. Then started learning everything he could about sewing. There is always something new to learn in this business.

September is National Sewing Month,

Our winner of the Huskystar E10 sewing machine in the Junior Division at Humboldt County Fair is Skyelin 10 years old doing beautiful sewing. It's never too young to start sewing.

Remember you get free classes with purchase of new machine. Call and sign up.

Summer is gone WOW did we get maybe 5 whole days of sunshine and I missed some of those when we went to Babylock convention in Saint Lewis. We sure learned a lot about the new machines. I took sewing classes and will bringing them to you. I'm excited about these new techniques and machines. Come on in and we will tell you about them.

**Keep Sewing,
Susan**

Husqvarna Viking Software

Date: November 16 (Tuesday)

Time: 10:00 a.m. - 1:00 p.m.

Fee: \$25.00

Instructor: Tina Ahrens

Welcome to 5D Embroidery! With the arrival of 5D you have more choices of file types to import including ART files. Digitizing just became easier and you have more reasons to use embroidery software for your embroidery machine. Just think of the money you can save designing your own embroideries from pictures you take or graphics within the program. If you have 3D, 4D or 5D Professional (or individual modules), 4D Quilt, 4D Family Portrait or Organizer, there are parts of the program you may not be using simply because you're not familiar with how they operate or haven't had the need to know. This is your opportunity to learn more about your Husqvarna Viking software so you can get the most from your program. Sign up early to make for and appointment.

ALL CLASSES ARE SIT-N-SEWS
